# WORKSHEET 1.1a

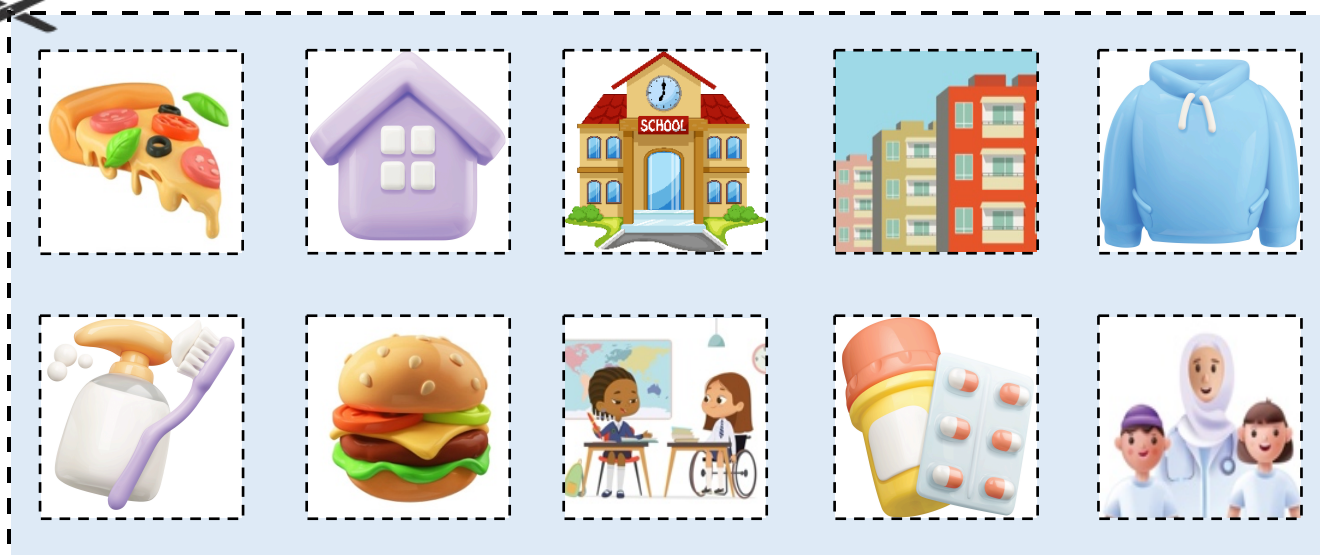

## Needs and wants

### Identify basic needs common to all young people

Basic needs are essential for daily life. Every day we need food, clothing, shelter, and water.

1. The images below represent some of our basic needs. Cut each image out and stick it in the table underneath its correct heading. For example, stick the pills/tablets under the heading titled 'Medicine'.

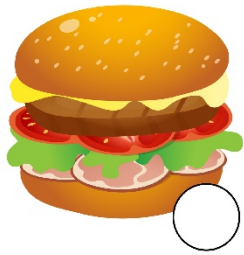

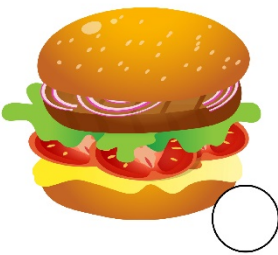

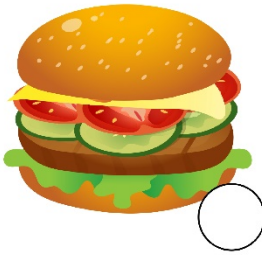

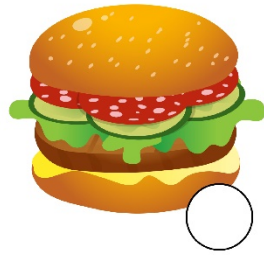

Pizza	House	School	Apartment	Jumper
Toothpaste	Hamburger	Education	Medicine	Doctor

Completed by \_\_\_\_\_ on (date) \_\_\_\_\_

I did this:  On my own  With some help

3. Burgers are a delicious food. Look at pictures of the ingredients below and work out which burger they belong to.

4. Trace the words below and match them to the correct image.

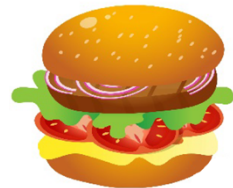

burger

strawberry

apple

tomato

cheese

Completed by \_\_\_\_\_ on (date) \_\_\_\_\_

With some help

# WORKSHEET 1.1f

## Needs and wants

Identify basic needs common to all young people

1. How many bedrooms are in your home? \_\_\_\_\_

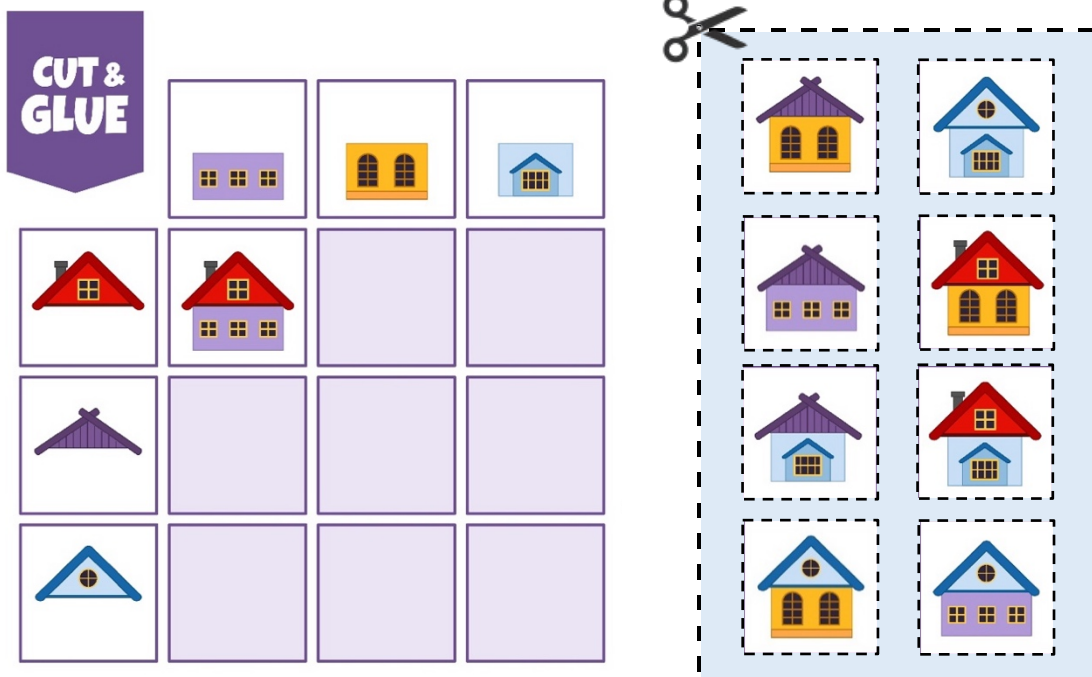

2. What type of home do you live in?

Unit       House       Caravan       Boat       Other

3. Tick all the reasons why everybody needs a home?

Safety                       Shelter                       Parties  
 Hygiene (bathrooms)       Gaming                       To be fancy

4. Cut out the images of the houses to complete the puzzle. Make sure the roof and the house match, like in the example given.

5. Trace the word 'home'.

home

Completed by \_\_\_\_\_ on (date) \_\_\_\_\_

I did this:       On my own       With some help

# WORKSHEET 2.1f

## Goods and services

### Recognise goods

Durable goods are ones that can last a long time, like clothes.

1. Identify the items of clothing in the wardrobe.

Completed by \_\_\_\_\_ on (date) \_\_\_\_\_

I did this:  On my own  With some help

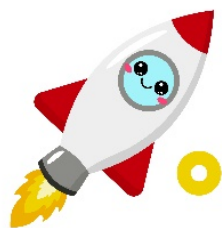

# WORKSHEET 2.3d

## Goods and services

Recognise different types of services and where to locate them within their community

There are many types of services that are available in every community. Transport can include buses, trains, bikes and even helicopters.

1. Draw a line matching each image of a mode of transport to its name.

bus

helicopter

train

plane

bicycle

truck

balloon

car

rocket

ship

Completed by \_\_\_\_\_ on (date) \_\_\_\_\_

I did this:

On my own

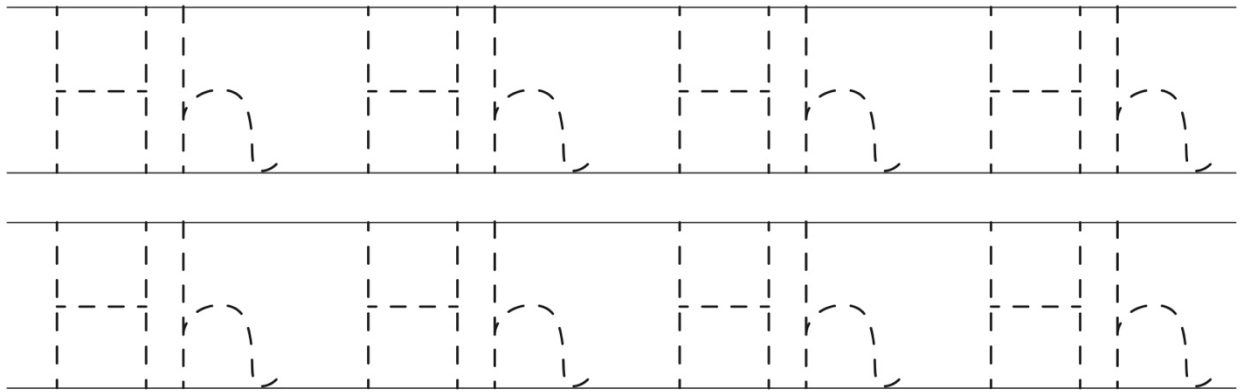

With some help

# Healthcare

# Hh

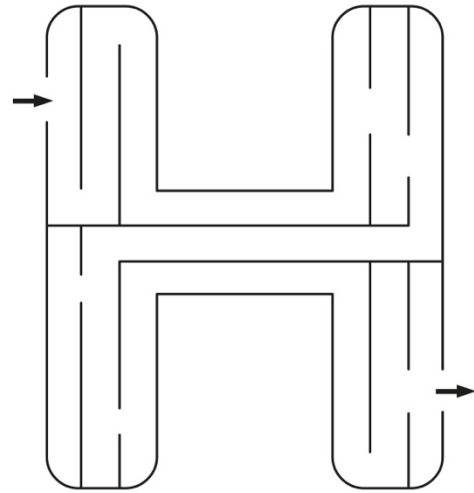

▶ Trace the letter H

▶ Find and colour H

▶ Letter maze

▶ Write the missing letter and trace the word

Health\_ are
